

# Japanese Sofa

A form that embraces mind and body.

t e t r a

A new designated seat for relaxation, born from the Japanese way of life. Sink in and the backrest rises naturally, allowing you to lean back deeply and truly let go. With every shift in posture, the internal bead filling gently conforms to your body's shape, drawing you into a state of deep tranquility. This is a cushion that adapts to your every movement.

Big Size

## CHENILLE

CHENILLE is a sofa upholstery fabric characterized by its glossy, short pile. This simple yet elegant and understated plain cover is also highly durable, ensuring you can enjoy it for a long time.

Regular Size

## No.8 Canvas

Our durable No. 8 canvas fabric, often used for bags and shoes, is a thick, water-repellent cotton material. Its firmness and springiness provide a stable sitting comfort.

Regular Size

## NATURA

Featuring excellent stain resistance and easy maintenance, this item is made with Sunbrella® fabric, a material widely used in marine applications and outdoor furniture. Because of its durability and resistance to fading, it's a perfect fit for outdoor activities such as camping and open-air events.

Regular Size

## Kusakura x tetra

The collaboration with Kusakura, the world's only company founded as a judo uniform maker. The Kusakura sashiko fabric embodies craftsmanship and attention to detail, carrying forward a history of over 100 years of weaving textiles on looms.

Regular Size

## LEON

LEON features a scratch-resistant fabric with high durability against rubbing and scratching. It's also water-washable, making it ideal for households with children or pets.

Regular Size

## DENIM

Made from high-quality 10.5oz denim from Kojima, Okayama, the heart of Japanese jeans. You can enjoy the denim aging beautifully over time. This fabric is also treated with a silk finish for softness, a great fit, and comfortable sitting.

Regular Size

## NISSAN FAIRLADY Z x tetra AF-1802

Originally crafted for the Fairlady Z, Japan's legendary sports car, this protein leather delivers a smooth texture and superior fit. Built to automotive-grade standards, it resists fading and keeps its vibrant color for years to come.

Regular Size

## Grande

The Grande series features Koke, inspired by Kyoto Machiya's moss gardens; Karakusa, with traditional Japanese patterns; and Asanooha, characterized by origami-like folds – each evoking a refined, mature aesthetic.

## PLANETARIA TOKYO x tetra

Born from a joint development with Konica Minolta Planetaria TOKYO, this tetra is a seat cushion crafted for planetarium viewing, offering the ideal angle for ultimate relaxation.

Its proportions differ from the standard big-size model in the lineup.

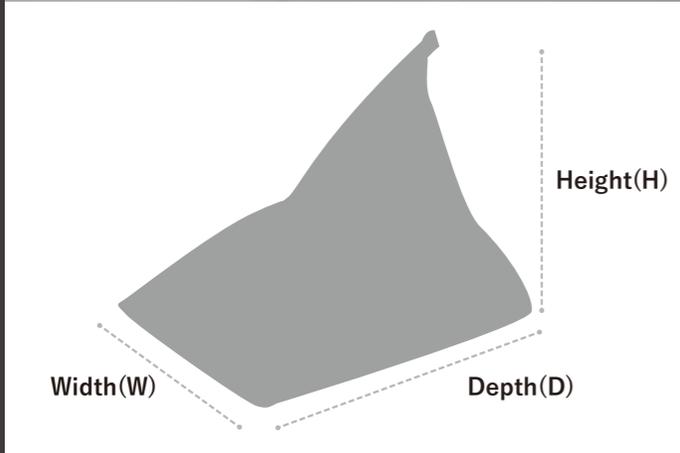

Regular Size

## Onkurosometsukasa x tetra

Available in regular size only.

Founded in 1915, Kyoto Montsuki has pursued the art of black dyeing, an essential part of Japanese traditional clothing culture. This Black Denim showcases its craftsmanship and fade-resistant black color, achieved through a unique deep black dyeing technique.

### Light and Easy to Carry

Light enough to be carried effortlessly with one hand, even by women. Unlike large sofas, it's easy to move and clean. Not just for the living room, you can also bring it into the bedroom to enjoy a more comfortable, relaxing time before sleep.

The Chenille Regular Size weighs approximately 1.4 to 1.5 kg. Weight varies by fabric.

### Removable Cover

The cover is removable and washable. You can easily switch it out to match your mood or the season, giving your space a fresh new look. Please note: some fabrics may not be washable.

### Available in 3 Sizes

**Mini** ..... ( W 45 × D 45 × H 45 cm )

A perfect size to use as back support or armrest on sofas and beds.

**Regular** ..... ( W 70 × D 88 × H 70 cm )

Not only can you sit and relax, but you can also use it as a backrest or even lie down comfortably.

**Big** ..... ( W 95 × D 115 × H 95 cm )

A size perfect for a single-seater sofa to sink into.

### The Large Beads are the Secret Behind its Perfect Fit

Filled with approximately 5mm foam beads, the cushion adapts to your posture as the beads shift, maintaining the shape of the backrest and ensuring a comfortable fit. It contours smoothly from your back to your hips, effectively distributing pressure and reducing strain even during long periods of sitting.

A double-slide back zipper makes refilling easy with additional beads (sold separately) when it begins to lose firmness.

Refill foam beads (sold separately)

PLANETARIA TOKYO × tetra measures  
W 90 × D 130 × H 75 cm.
