Silicone Based Product

Who We Are

Ever Ocean International Ltd, is a Taiwanese Company located in Suzhou Wujiang City, China. We have over 25 years of production and sales experience in Taiwan.

With a well trained and experienced engineering team and high standard quality control system, Ever Ocean can deliver all silicone based products to meet customers' high-quality demands.

/ What We Do /

We are a manufacturer of high-tech professional silicone products such as silicone pastry molds, silicone kitchen ware, silicone accessories and silicone baking liners, etc.

Ever Ocean is devoted to the research and development and provides OEM services for many foreign clients worldwide (mainly for United States, Europe, and Japan).

In addition, we provide other consulting services such as CAD, Pro-E molding technician support and silicone rubber part technical information.

Furthermore, we provide efficient after-sale responses to reduce any postponement or waste on your investment in project creation and production.

Why Work With Us

We are an ISO 9001 & SGS certified full service manufacturer of high-quality silicone products with special emphasis on professional-grade kitchenware.

All of our products are certified by one or more of the following: FDA, LFGB, CE and NSF.
