

Here is a brief company profile of Hyozaemon. Please take a look.

(Please note that I am using a translation application.)

* A chopstick manufacturer with 101 years of history

* We are a chopstick manufacturer with our head office and factory located in Obama City, Fukui Prefecture.

Our motto is "Chopsticks are food. Our motto is "Chopsticks are food," and we give priority to safety and security. The tips of the chopsticks are coated with 100% natural lacquer.

* Our chopstick tips are coated with 100% natural lacquer, and our craftsmen carefully make each pair of chopsticks by hand.

* Representative product "Kezuri chopsticks".

The more you use the chopsticks, the more comfortable they become in your hands.

* The "Hashiro" chopsticks, which are made to be used as portable chopsticks, were used as gifts from the Japanese government to the leaders of the G7 countries at the Toyako Summit and the Ise-Shima Summit held in Japan.

* Kezuri chopsticks product video

* Initiatives for the SDGs

We collect and reuse broken baseball bats from professional and student baseball teams, as well as scraps from the bat manufacturing process, to manufacture chopsticks. A portion of the proceeds is donated to the Aodamo (Japanese Ash Tree) Resource Development Association, which uses the wood for bats.

* Sales outlets

There are 5 directly-managed stores in Hiroo, Shibuya, Asakusa, etc., and 13 corners in famous department stores such as Isetan Shinjuku Main Store, Hankyu Umeda Main Store, and Takashimaya Nihonbashi Store.
